  - a. Provide direction to staff regarding the processing of the "Citizens' Initiative for Preservation of Open Space in La Habra" with one of the following options:
    1. APPROVE AND ADOPT RESOLUTION NO. \_\_\_\_\_ ENTITLED: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LA HABRA ADOPTING THE "CITIZEN'S INITIATIVE FOR PRESERVATION OF OPEN SPACE IN LA HABRA," AND THEREBY AMENDING THE GENERAL PLAN AS PROPOSED BY AN INITIATIVE MEASURE; or
    2. APPROVE AND ADOPT RESOLUTION NO. \_\_\_\_\_ ENTITLED: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LA HABRA CALLING A SPECIAL MUNICIPAL ELECTION TO BE HELD ON TUESDAY, MAY 21, 2019, AND ORDERING THAT AN INITIATIVE MEASURE BE SUBMITTED TO THE VOTERS OF THE CITY AT THE SPECIAL ELECTION FOR THE PURPOSE OF CONSIDERING A PROPOSED AMENDMENT TO THE LA HABRA GENERAL PLAN; or

Community and Economic Development Director Ho presented the staff report. He noted that this item had been continued from the February 4, 2019, City Council meeting so that all five Councilmembers could participate. He stated that courtesy notices had been mailed out by staff to all property owners designated as open space in the General Plan 2035. He added that new correspondence received by the City have been included in the staff report and at the dais. He reviewed the three proposed options for this item.

Council discussion included: confirmation that Council does not need to receive and file the report again for this meeting; announced that Councilmember Espinoza viewed the February 4, 2019 Council video since she had been absent; verified the purpose of the initiative; staff confirmed, to the best of their knowledge, that no open space zoned property in La Habra has had their land

use designation changed since the City's incorporation in 1925; purpose of the City's Warrant List; cost to the City for a special election and its effect on the City paying for unfunded pension liability and youth sports costs; potential cost of litigation against the City regarding the initiative; support of open spaces; homelessness and traffic issues to be mitigated; the purpose of the Southern California Association of Governments (SCAG); the City being mandated by the state to have a certain amount of housing and affordable housing; support of all City residents having a voice regarding the initiative; the need for park space; verification that a dog park was part of the design concept for Vista Grande Park; confirmation that Westridge Golf Course was not considered during the General Plan Update 2035; clarification that Council votes for what is best for La Habra; high voter turnout prediction for the November 3, 2020 election; and request staff to seek legal advice to confirm the City has acted prudently regarding the concerns of the community for the initiative.

Mayor Gomez invited the public to testify at 6:36 p.m.

- Mindy Song, 2120 South Farrell Court, stated that the housing crisis was false. She asked that Council adopt the initiative.

- Bill Sanders, 1821 South Hagen Street, spoke against high density and expensive housing and traffic issues. He noted that the small amount of open space left in the City should be protected.

- Tom Blaine, 180 South Watson Avenue spoke regarding the positives and negatives of the initiative, and traffic issues in the City.

Mayor Gomez reminded the audience that the item before them was regarding the initiative and not targeted at one specific property.

- Mr. Chan spoke regarding the definition of open space and traffic issues in La Habra.

- Carol Hansen, 1200 Birch Tree Court, spoke about zone change and the peoples' vote regarding the Westridge Golf Course property. She inquired why there was a rush to build more homes, and about the price of homes in the proposed Rancho La Habra development.
- Sawrav Mukherjee, 1981 South Mangrin Court, spoke regarding the closure of golf courses, high-density housing, need for park spaces, the rights of the Westridge Golf Course property owner, and the proposed developer and property owner's intention to make a profit from the construction of new homes.
- Maria Zavala, 1530 Stoneham Way, spoke in support of open space. She expressed concern regarding the open space at Westridge Golf Course being converted into homes, resulting in an increase of traffic and smog.

- Darna Magpayo, 1761 South Palmer Court, spoke regarding the popularity of the game of golf, the perception of the initiative action, and the support for the Westridge Golf Course property to be sold for another open space purpose. She stated that the initiative's purpose was to give the public a voice for the future use of open spaces. She asked that Council adopt the initiative.
- C.J. Lees stated that this item is about giving the people a voice and the City's potential liability to be sued no matter the action taken. He asked that Council either adopt the initiative or place it on a special election.

He noted that he was against City funds being spent on a special election. He discussed the addition of public spaces if the property was developed.
- La Habra Police Officers Association President and Motor Officer Sumner Bohee spoke in support of economic growth and vitality. He spoke in opposition to calling a special election for the initiative.
- La Habra Chamber of Commerce President and resident Marie Laveaga spoke regarding the underuse of City parks; the Westridge Golf Course being private property and not available

for public park use; challenges for the owner to sell the Westridge Golf Course property; potential future public uses on the property; and traffic being common in most areas.

- Adam Wood, with the Building Industry Association of Orange County, spoke regarding the role and fiscal responsibility of City Council, ballot box zoning, and the spread of misinformation.
- Ken Jackson, 2111 Cheyenne Way, spoke in support of private property rights, the CC&R's given to each Westridge property owner regarding views, and the Chevron agreement with the City ending nine years ago in relation to Westridge Golf Course. He noted that cities are building homes to assist in paying the Public Employee Retirement System's (PERS) unfunded liability costs.

Mayor Gomez closed the public hearing at 7:46 p.m.
