1. DULY NOTICED PUBLIC HEARING TO CONSIDER AN APPEAL OF THE ACTIONS BY THE PLANNING COMMISSION TO APPROVE ZONE VARIANCE 21-01 TO REDUCE THE MINIMUM LOT SIZE FROM 7,200 SQUARE FEET TO 6,192 SQUARE FEET, AND AN APPEAL OF THE ACTIONS BY THE PLANNING COMMISSION TO DENY ZONE VARIANCE 20-01 TO REDUCE THE REAR YARD SETBACK REQUIREMENT FROM 25 FEET TO 6 FEET FOR A SINGLE-FAMILY HOME AT 161 WEST HIDDEN LANE

Director of Community & Economic Development Ho introduced Associate Planner Lopez who would be presenting the staff report. Director Ho also noted that the following would be available to answer questions: Planning Manager Ramsland, representatives from the Los Angeles County Fire Department, and Assistant City Attorney Collins from the Law Offices of Jones & Mayer.

Associate Planner Lopez presented the staff report.

City Council discussion included: confirmation that letters were sent to Olinda Avenue residents, but that none of them responded; explanation that NIMBY stands for "Not in my backyard;" verification that the community paid the property taxes on the lot when the neighbors wanted to build a community pool and stopped paying the taxes so it defaulted; confirmation that the neighbors approached the County of Orange prior to 1963 to build a community pool since at that time the land was located in the unincorporated County area and was not within the jurisdiction of the City of La Habra; confirmation that the applicant had not yet had the property surveyed; and the importance of the City's General Plan.

Mayor Espinoza opened the public hearing at 7:04 p.m.

Blash Momeny, applicant, spoke regarding his purchase of the property at 161 West Hidden Lane. He stated that he would reside in the home planned to be built on the property and indicated that the home design would be architecturally cohesive with surrounding homes. He claimed that he had hardship status. He requested City Council approval of the modified setback requirements

Max Ahmadi, Land Use Consultant, stated that if there was a determination of hardship that the proposed project should be approved by City Council. He noted that the neighbors to the property had become used to having this lot vacant and to be able to utilize it for vehicle turnaround. Mr. Ahmadi claimed that City staff had misinterpreted the La Habra Municipal Code. Mr. Ahmadi spoke regarding the irregular shape of the property. He stated that denying the proposed project variance to the setback was a mistake and could result in legal implications for the City.

The following residents spoke in opposition to this item:

- Richard Carver, 141 West Hidden Lane
- Ray Fernandez, 1400 Hidden Lane
- John Salzman, 200 Olinda Avenue
- Mike Paraska, 1330 North Hidden Lane
- Tom Minnich, 1420 North Hidden Lane
- Kevin Davis, 300 Olinda Avenue
- Jenifer Paraska, 1330 North Hidden Lane
- Fay Ackerson, 124 West Hidden Lane
- Patricia Ann Carver, 141 West Hidden Lane

Richard Price, Attorney for Richard Carver, Jenifer Paraska, and some of the other residents of Hidden Lane, spoke regarding the sale and purchase of the property, its lot size, topography, and zoning.

Max Ahmadi, Land Use Consultant stated that the neighborhood wanted the lot for their benefit. He noted that the lot was created at a time when the current standards did not apply, and when the City annexed the property as it is, the property was accepted as a lot and was intended to be developed. He clarified that lot size is measured from the middle of the street, not from the edge of the lot.

Blash Momeny, applicant, stated that false information was given by those living in the neighborhood and their attorney. He noted that he could place a gate and do nothing with the property, but would like to build a house. He spoke regarding the reasons, and requirements for a setback on the property, and his request for a 6-foot setback. He confirmed that the Los Angeles County Fire Department gave their approval two months ago that a turnaround was not required for the street.

Mayor Espinoza closed the public hearing at 8:12 p.m.

City Council discussion included: City standard for property setbacks; maintaining uniformity of setbacks as the City code states; various issues at hand within the property owner's rights; community concerns regarding setbacks; proposed project not compatible with the other properties in the neighborhood; issues and evidence presented and the limitations of the City's purview; and decision before City Council were the lot size variance and the property setback.

City Attorney Jones noted that decisions to be considered by the City Council were discretionary in nature. He stated that a lot size denial of variance would deny the owner to build anything on the property and would cause a significant economic impact to the property owner. City Attorney Jones stated that the accurate way to measure the property line was from the road; lot size decisions made in the 1950's; and setback requirements. He indicated that City Council action should include General Plan consideration; the overall compatibility of this proposed project with surrounding neighbors and property owners, and the important nature of maintaining the enforceability of City codes and setback requirements throughout the City.

Moved by Mayor Pro Tem Medrano, Seconded by Councilmember Simonian AND CARRIED UNANIMOUSLY (5-0) THAT THE CITY COUNCIL UPHOLD THE PLANNING COMMISSION'S APPROVAL OF ZONE VARIANCE 21-01 TO REDUCE THE MINIMUM LOT SIZE FROM 7,200 SQUARE FEET TO 6,192 SQUARE FEET FOR THE CONSTRUCTION OF A SINGLE-FAMILY HOME AT 161 WEST HIDDEN LANE, AS PER THE APPROVED PLANS, MAKING THE APPROPRIATE FINDINGS, AND SUBJECT TO CONDITIONS AND THE DENIAL OF ZONE VARIANCE 20-01 TO REDUCE THE REAR YARD SETBACK REQUIREMENT FROM 25-FEET TO 6-FEET, FOR A SINGLE-FAMILY HOME AT 161 WEST HIDDEN LANE; AND DIRECT STAFF TO BRING THIS ITEM BACK TO CITY COUNCIL AT ITS NEXT REGULARLY SCHEDULED MEETING OF MAY 3, 2021, AT 6:30 P.M.
