La Habra Police Awarded Traffic Education and Enforcement Grant From the OTS

La Habra, Calif. – La Habra Police received a \$95,000 grant from the California Office of Traffic Safety (OTS) for a one-year enforcement and education program. The money will fund various activities intended to reduce deaths and injuries on California roads.

“Once again the La Habra Police Department is appreciative of the support shown by OTS in awarding this grant to our agency,” said Lieutenant Jim Tigner. “The funds will allow our officers to offer education to the public, purchase equipment, and conduct enforcement – all in the name and mission of making our roads safer for drivers, pedestrians, and bicyclists.”

The grant-related activities are for the 2020 federal fiscal year, which runs from Oct. 1, 2019 to Sept. 30, 2020.

The funding from the OTS will be used for numerous programs, including:

- DUI/driver’s license checkpoints.
- Patrols specifically looking for suspected alcohol and/or drug-impaired drivers.
- Patrols targeting violations of California’s hands-free cell phone law and vehicle code violations by drivers, motorcyclists, bicyclists and pedestrians that put other roadway users at risk.
- Patrols targeting the primary causes of crashes: Speeding, improper turns, running stop signs or signals, right-of-way violations and driving on the wrong side of the road.
- Traffic safety education presentations for youth and community members on distracted and impaired driving, bicycle and pedestrian safety.

For Immediate Press Release
October 25, 2019

..... *more*

- Creating “Hot Sheets” identifying repeat DUI offenders.
- Officer training to identify suspected impaired drivers and conduct sobriety tests.

“Getting in a vehicle remains one of the most dangerous things we do,” OTS director Barbara Rooney said. “We must continue to work with our partners in law enforcement to shift that realization and make traveling on our roads safer.”

Funding for this program was provided by a grant from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration.
