The City of La Habra will implement its Annual "Property Maintenance Clean-Up Day" for property-owners along the north side of Imperial Highway on Saturday, January 25, 2014. The clean-up and temporary lane closure will occur between 8:00 a.m. – 2:00 p.m. and affect the #3 westbound lane of traffic (the traffic lane closest to the curb) from the northwest corner of Beach Boulevard and Imperial Highway to the City's western boundary. The City of La Habra will provide two 40-yard dumpsters on Greenbrier Lane at Cajon Drive for convenient community access during the clean-up event.

The success of the City's Property Maintenance Program depends in large part upon the voluntary cooperation of property-owners. Through their participation in the cleanup event, property-owners not only keep their property free of overgrown vegetation and debris, but also show how much they care about our community. The City thanks them for their willingness to participate in the event and demonstrate why La Habra is known as "A Caring Community." For more information, please contact the Public Works Department at 562-383-4170.
