## La Habra Police Department Press Release

**Flood control channel collapses causing a large sink hole.**

For Immediate Press Release  
January 23, 2019

..... *more* .....

**La Habra, CA – January 23, 2019:** At approximately 10:44 p.m., the La Habra Police Department responded with L.A. County Fire in reference to a large sink hole. The sink hole in question ran the length of a green belt approximately 80-100 feet long and 20 feet wide. This area is between two condominium complexes located at 957-989 W. Imperial Hwy., La Habra.

The cause of the collapse appears to be an underground flood control channel that collapsed causing the green belt above to fall into the flood control channel. No injuries were reported; however, one condominium was damaged due to a fallen tree. Building inspectors from the City of La Habra are on scene currently assessing the damage. Orange County Flood Control has also been notified. Residents are encouraged to stay out of the area until the situation can be rendered safe.
